

# ELECTRICAL INSPECTORS ASSOCIATION

## Southeastern Wisconsin Section

### Spring Seminar on Electrical Energy, Lighting, and Code Enforcement

This seminar covers testing of Emergency Lighting systems in commercial occupancy and institutional occupancies. Applicable sections of both the 2008 National Electric Code and the 2006 International Building Code will be covered. It will also address the procedure to do energy calculations in conformance with Comm 63 and the IECC. Architects, engineers, electrical designers and certified commercial building and electrical inspectors should attend this important program.

#### Pertinent Information:
