

Thursday, May 20th, 2010

Best Western Midway Hotel South Moorland Rd.

IES Milwaukee Contractor Breakfast Meeting

Successfully integrating lighting controls on a project requires clear communication between specifiers, installing contractors and the end use customer who will own and operate the system throughout the life of the building.

Join us for a panel discussion of these issues and solutions for successfully specifying and installing lighting controls.

7AM Buffet Breakfast includes:

**Scrambled eggs, bacon, sausage,
Assorted pastries and fresh fruit
Coffee and juices**

Members/Non-members: \$15/person

Please RSVP to this invitation no later than

Monday May 17, 2010

Please email RSVP or any questions to

iesmilwaukee@gmail.com

No shows and cancelled RSVPs after the RSVP date will be billed to cover the cost of the meal because we are required to pay even if someone can't make it.
